## WARREN

The advocacy of having city boys to aid the farmers and the results that sometimes happen was fully demonstrated in Warren last week.

C. M. Hyskell of the Oregon Berkshire company, has had in his employ a city boy, Fulton Robinson. Fulton is a gay, happy and hard working boy, but does not thoroughly appreciate the condition of garden crops and all circumstances connected therewith. Last Monday Mr. Hyskell went to the woods and cut some peels to put under and along his tomato plants which were overburdened with the green fancy tomatoes. They were the pride of his garden and he had very carefully tended and watered them. When he got the peels ready he said to Fulton, "Fulton, you go and pole the tomatoes." "All right," said Fulton and away he went whistling to the work. In about an hour Fulton came to the barn and in his courteous way, said, "Mr. Hyskell, I have finished," happy in the performance of a task. "That's good," said Mr. Hyskell, "you got all done?" "Yes," said Fulton, "I got them all pulled." "What?" said Mr. Hyskell, "pulled?" "Yes sir, some came up hard, but I got them all." Mr. Hyskell put his hands through his already sparse locks of hair, to which some of it adhered and walked down to the barn, not saying anything audible, but his actions betrayed considerable emotion, as he is fond of tomatoes, but his kind neighbors have promised to see that he will have some of their surplus.

The election of Lieutenant J. A. Bacon of the Warren Home Guards to battalion adjutant of the county, left the position of first lieutenant vacant and Second Lieutenant Morris was advanced to the position and First Sergeant Frank Bealer was elected to second lieutenant. This elevation of Sergeant Bealer advanced Sergeant K. F. Larsen to "top" sergeant. The boys are preparing for a big entertainment and social in the near future.
